Procédures de passation des marchés de MCA-Mali Document de base:

MCC Program Procurement Guidelines (PPG)
Version du 21 Juillet 2008

PPG sets up principles, rules and procedures for procurement of goods, works, consultant and non-consultant services

PPG can be downloaded on MCC website:

www.mcc.gov

Based upon the World Bank's Guidelines

But differs in five keys ways:

- Provides broader advertising requirements for procurement opportunities;
- Restrictions on currency use: USD and FCFA;
- Prohibits national preference;
- Includes the excludes parties list under U.S. laws and policies;
- Identifies English as the official operating language for MCC funded procurements.

Procurement Principles

- Open, fair and competitive procedures
- Commercially reasonable price

Prequalification of bidders

- For large & complex works
- Invitation to bid extended to qualified firms: capabilities & resources, experience & past performance, financial position
